### Partnerships

If your entity's SOS number does not work or your entity does not have an SOS number, then your FTB Issued ID number should be used.

### Sole Proprietorships

Sole Proprietorships must use Web Pay personal.

It has come to our attention some recently registered business entities may not be able to use the FTB Web Pay application. We are diligently working to resolve the issue to ensure all business entities may use the Web Pay application. If an entity is unable to use Web Pay, FTB offers several other [payment options](#).
